

Environment Forest and Climate Change Commission

पर्यावरण वन एवं जलवायु परिवर्तन आयोग

(Established Under Section 1(a) of the EFCCC Rules, 2025)

EFCCC/PN/2026/02

14-04-2026

Ref. No.

PUBLIC STATEMENT

Date:

Environment Forest and Climate Change Commission hereby issues this clarification in larger public interest.

It is hereby informed that the Commission is a duly registered organization under the Trust Act and is not a Government body (neither Central nor State).

Our Constitutional Commitment

The Commission works in alignment with the Constitution of India, particularly:

Article 48A – Protection of environment, forests and wildlife

Article 49A – Environmental responsibility (contextual)

Article 51A(g) – Fundamental duty to protect and improve natural environment

Our Core Activities

Environmental Protection

Tree Plantation

Public Awareness

Important Clarifications

The Commission does not authorize any person to enter any private property without permission.

The Commission does not engage in any coercion, threat, or monetary demand.

Disassociation Notice

Mr. Avid (AVID) is no longer associated with the Commission.

He resigned voluntarily on 08-04-2026.

Any act done by him thereafter is unauthorized and personal.

Misuse Warning (Very Important)

It has come to our notice that certain individuals are misusing the name of the Commission and falsely presenting themselves as associated with the Government of India.

It is further observed that such activities are linked with the website:

www.paryavaranaayog.com

Where even the Ashoka Emblem (Ashok Stambh) is being used without authorization.

The Commission clearly states that it has no connection whatsoever with such persons, entities, or websites.

Our legal team is actively monitoring the situation and strict legal action will be initiated against all such unauthorized activities.

Public Advisory

Citizens are advised to remain cautious. If any person misuses the name of the Commission, the same should be immediately reported to local authorities.
